#### **Congratulatory Message to Prime Minister of the Republic of Trinidad and Tobago, The Honourable Dr Keith Christopher Rowley**

The Employers' Consultative Association of Trinidad and Tobago (ECA) wishes to extend its heartfelt congratulations to Dr. Keith Christopher Rowley on becoming the seventh Prime Minister of the Republic of Trinidad and Tobago.

His ascension to this position has come at a time when our Country is facing major social and economic challenges. The expressions of rebuilding a sense of Nationalism and Pride; returning to moral and spiritual values; rebuilding the fabric of discipline, mutual respect and commitment to service certainly resonates with us and sets the tone for a better quality of life for all of our citizens.

As a young nation, we begin yet another phase of our journey and this is a resounding call to every citizen to unite and to demonstrate a willingness to work together. In doing so, we recognize that there is the need for flexibility, willingness to compromise, and acknowledge that together we aspire, together we achieve. In order to successfully navigate through the challenges ahead, we need a strong, collaborative approach. The ECA is confident that at this juncture, the country urgently needs a leader with high morals, decisive leadership and good governance.

The ECA looks forward to working closely with Dr. Rowley and the Government of Trinidad and Tobago to rebuild national pride, confidence and trust in our institutions and more importantly, re-ignite economic growth and stability which would redound a better quality of life for every citizen of Trinidad and Tobago.
